

Self-Contained Mobile Food Units

The following requirements shall be met before a permanent permit can be issued:

1. Three compartment sink
2. Hand Lavatory
3. Hot and cold water under pressure
4. A waste retention tank, which is 100% larger than the potable water tank.
5. Toilet facilities are to be available near the area of operation.
6. Construction plans need to be submitted (on newly constructed units only).

The above requirements are in addition to the Mobile Food Unit requirements as set forth in the 5/91 revised Kentucky Food Service Code (Sections 33-36).
